Is it time for a change, if so let me help you:

Change your life by gaining the
Tools you need to
Achieve success

COMMON CHILDHOOD DILEMMAS, WHICH WE ARE ACCUSTOMED TO ADDRESSING:

- Transition issues with reunification to biological/relative/adoptive family
- Trauma from divorce, death, relocation abandonment, parent in the military, or other family circumstances
- Posttraumatic Stress Disorder
- Social Immaturity/Peer Relationships
- Anxiety and /or Attachment issues
- Anger Management Problems
- Attention and Concentration Deficits
- At risk of being removed from the home due to abuse situations
- Victims of abuse (emotional, physical and/or sexual)
- At risk of delinquency, truancy or drop out
- History of/Current DJJ involvement

It would be a privilege to help you and your family through these transitional times to gain the tools you need to achieve peace of mind, be successful, and feel more confident.

WHO IS Creative Therapy Associates?

The associates are:

***Christine T. Harris, MSW, LCSW
And Rebecca Caskey, MA, LMHC***

Creative Therapy Associates was formed so that we could provide individualized support to each and every client. We assess the needs of the individual and family, and work with you and your child in a creative way to guide and support you in your growth.

We have over twenty-four years of experiences. We specialize in working with families to rebuild positive attachments, improve communication, and strengthen the trust and unity after a family has experienced a life changing event or transition.
